## IMPORTANT NOTICE

At this show we will be using a system to speed up the recording of placegetters and improving the accuracy of the results. Confusion is often caused by misspelling of riders or horses names which can lead to disputes when entries are made for major shows.

When you first purchase tickets you will have to submit details of horse and owner on the form below. The horse will have the same number for different riders in different events.

If you are placed in a class the steward will ask you for your horse's number in horse class. That number will be recorded by the steward. The number will be matched to the horse details supplied by you and stored in the computer system. This information will be forwarded to the respective associations if requested.

In rider classes the name of the rider will be recorded by the steward.

It is hoped the system will ensure accuracy of name spelling and lessen time taken between classes.

We ask that you complete the form(s) before coming to the show and hand them in when purchasing your entry tickets. If you have any suggestions on improvements please let us know during the show.
